Customer Reviews

As featured in Harper's Bazaar, Modern Luxury Aspen, Real Simple, and on mental_floss, Swiss Miss, and Vice's Amuse. "If the title of this book alone doesn't have you sold, then the list of contributing artists in this book should... The uplifting autumn almanac you need."

•Amuse-i-d.vice.com "This isn't one of those mediocre books of gooey inspirational quotes. This is a beautiful, thoroughly researched collection of real words from real artists. Anyone struggling with their creative life will find comfort and guidance here - I plan to keep it on my shelf and flip to a random page when I'm stuck." •Austin Kleon, New York Times bestselling

author of *Steal Like An Artist*"A brilliant book of quotations by artists for everyone. It includes life lessons, private revelations and frank thoughts on money, sex, failure, creativity and originality."

•Evening Standard"[T]his handsome leather book will serve as entertainment and resource for all creative minds. Plus, with its easy-to-navigate index with original sources, you'll be sure you're quoting your heroes correctly, and that is a thing of beauty."

•Real Simple Online"A handy, dip-in/dip-out collection... More than inspiration, the book gives an empathetic insight into the artistic life... I opened the package over coffee and the graphic, monochrome cover drew in a charming stranger. All 'new' quotes - sources catalogued at the end - not a repackaging of the same old, Art Is... A companion, a guide and a friend for the lonely business of creativity."

•Disorder"The most honest advice from the art world's biggest names... Everyone has their two cents when it comes to advice. But with the amplification that the internet allows it's easy for any iota of substance to be drowned out. For every actual pearl of wisdom there are often 100 corny and empty memes on Instagram... Thankfully, there is now an almost pocket-sized guide to get you through. *Art Is the Highest Form of Hope & Other Quotes by Artists* - published last month by Phaidon - rounds up hundreds of quotes taken from the diaries, letters, interviews, memoirs, monographs, and more, of the world's most notable artists... Brilliant minds coming together between two covers."

•DazedDigital.com"Art is the Highest Form of Hope brings the wisdom of visual artists to the public, collecting some of the best quotes from the art world... You don't have to be an artist to appreciate the sage advice."

•mental_floss"Beautifully produced, typographically inventive... The advice, aphorisms and wisdom of 290 artists."

•Art Quarterly"This thought-provoking book relies on the persuasive power of well-considered words, creating a typographical delight in the process."

•A-N.co.uk"People who post motivational quotes on Instagram are legitimately the worst, but these quotes from your favourite artists are actually great. Like, life-affirming, motivating, moving. All of that. Buy this for someone you give a shit about."

•DazedDigital.com"[F]abulous."

•Modern Luxury Aspen"I like the way the book has been printed in a variety of type faces and sizes. It makes the quotes leap off the page... Who said: 1) I don't believe in Art. I believe in myself? 2) It is not my intention to make anything comprehensible. 3) I've always had a thing about glass. I leave you to find out. Surprise your friends with your knowledge."
