Whitby & The North Yorkshire Coast: The Best Pubs, Restaurants, Sights And Places To Stay (Cool Places UK Travel Guides Book 25)

Synopsis

It might only be small, but Whitby is perfectly formed – the jewel of Yorkshire – coastal resorts, with a history and heritage that sets it apart from neighbouring seaside bucket-and-spade places like Scarborough. The long sandy beach and thriving harbourside are invitation enough, but Whitby also boasts a huddled Georgian old town and a famous abbey on the cliffs above, not to mention its fascinating Captain Cook and Dracula connections. It's also a bit of a boutique destination these days, with contemporary bars, flash seafood restaurants and designer accommodation sitting comfortably alongside the more traditional B&Bs and fish-and-chip shops. Cool Places aims to celebrate the glorious diversity of the UK, promoting the very best places to visit, sleep, eat, drink, shop and much more. We particularly love the independent businesses that make the UK unique, from the tiniest B&B to the grandest boutique hotel, as well as the extraordinary British landscape and its amazing sights and attractions. Our guides cover most of the major towns and regions of Britain – for more information, visit www.coolplaces.co.uk
