Fenton Art Glass: A Centennial Of Glass Making, 1907 To 2007

Synopsis

For the first time, beautiful glass from 100 years of Fenton production are shared in one book. Diversity is highlighted, showing over 3000 items in more than 575 color photos. Detailed captions include descriptions with up-to-date values. Chocolate, Opalescent, Carnival, Stretch, Art Glass, Hobnail, Burmese, Rosalene, Animals, and Holiday related items are featured in old and new styles. It has something for everyone. A brief history of the company is given along with information on the Fenton family, decorators and glass workers. A detailed collector list, bibliography, and index make this a useful reference.

Customer Reviews

Debbie and Randy Coe began dealing in antiques in 1980. They have been researching and writing books and articles on glassware for almost as long. They reside in Hillsboro, Oregon.

This book fit my needs and it is a beautiful reference. If you are Fenton collector and would like just one reference book, this is the one!

Very useful book to learn about Fenton Glass. Also a good reference book.

An amazing book! I didn't know Fenton had produced so much glassware, and that even their later pieces would be worth so much. The photographs are excellent, the company history and

photographs of some of the individual workers through the years were very informative. This book is a little pricey, but well worth it for any collector from the beginner to the well-established. I'm glad I got it.

Very good book, loved the background on the artist who created the designs for the glass. Also like the way it was broke down into 10 year periods.

Colored photos are great, well organized. Although it shows a lot of what Fenton made not everything. Was a little disappointed because cost, think some of the older reference books included more pieces.

Great book. Very informative.

I learned about a line of milk glass that I never knew about. Now I will continue to search for these pieces too. FUN FUN FUN

Did not have enough references and prices for the "everyday" Hobnail, all the different Crest types, and common milkglass. Wanted to see more pictures of candy dishes, baskets, vases ,pitchers, etc.
