A Discovery Walk In Stockholm: Walking Directions (Worldwide Discovery Walks Book 5)

Synopsis

This walking guide of Stockholm is intended to be used with the audio walking tour offered by Worldwide Discovery Walks and available for download at www.worldwidediscoverywalks.com. With over 25 points of interest described in this walking guide, your exploration of Stockholm's Old Town is limited only by your personal wishes. From the often lively King's Garden and the magnificent Royal Palace to the beautiful interior of the Riddarholmen Church, the glorious views from Evert Taubes Terrace, the paintings and sculptures in St. Nicholas Church and the tragic history of the city's iconic Stortorget Square, your Discovery Walks stroll through Stockholm will provide unforgettable memories of this wonderful city. If you've taken any of our self-guided audio walking tours of beautiful historic cities in Europe I'm sure you're familiar with the Discovery Walks approach to exploring a city. We have carefully constructed what we believe to be a perfect walking route that will lead you along some of the city's most interesting and historical streets and past many of its most memorable locations. This walk is not designed to give an exhaustive and tiring description of every site along the walk but rather to provide concise summaries of each site's history and its importance in the culture, lifestyle and design of this marvelous city. These walking instructions will help you to stroll between each spot along the route so that you'll be able to navigate the route with ease, like a native. And using the zoom feature of the map you can view the entire walking route at one time or zoom in on any particular location. If you enjoy this walk we hope you'll also try some of the other books available in the Worldwide Discovery Walks series.

Book Information
