## Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way."  
• Chicago Tribune "The best option | Color photos, maps, and diagrams bring the place to life."  
• The Philadelphia Inquirer

A little too much about the churches and historical buildings and not enough about parks. One particular town, Aguimes, was sorely over rated. Some German tourists saw us wandering a town with, as promised, narrow streets, but there really was not much else to it. No little shops, few restaurants, only bars around the cathedral.. A bit of a disappointment after reading about it.

Eyewitness travel guides are the best! My husband and I travel constantly and rely on these books to get us to the best of the best spots in each country. Love Love Love these books!

Best travel books!

Excellent book! Beautiful pictures and great reference guide.

Great info. Nice size perfect for the trip.

As being fans of Canary Islands with my girlfriend, I bought this for a quick read for her as I am working long hours. So in the evening she is retelling me what she got to know about different islands. Probably will use it as a guide what to see and where to go on the next trip there. Quite informative. Shows a limited use, but it's not a problem.

Very good edition, it has lost anything with the new designs, but it is still the best guide. I strongly recommend.

This book is like a continuous spoiler, all the best pictures are covered in it hence once you are in front of the real thing the feeling is not the same and the surprise has vanished.
