Synopsis

Travel guide updated in May 2017. The Loire Valley is the largest site ever registered in France as World Heritage site by UNESCO. The site crosses a multitude of historic towns and villages, rich with architectural heritage and ancient history. It reveals religious buildings and castles, each more sumptuous than the last, cultivated land and wild landscapes exploding with biodiversity. This ensemble, which witnessed thousands of years of interactions between man and nature, is a cultural landscape of exception. The Loire River is at the heart of this landscape.
