Very beneficial. This is a required course for food service managers in Alabama. It is easy to read and understand with sample questions and answers in each chapter. This is a course recognized in

all fifty states so If I move, I will already have the course. My employer supplied me with a book but I bought this because I wanted my own copy to mark and highlight.

Everything you wanted to know about food safety. Get's you ready for the exam

This book has 10 chapters instead of 15 taught the class using it and prefer it to classwork book for short two day classes.
