SS United States: Red, White, & Blue Riband, Forever

Synopsis

Maxtone-Graham has yet again produced a profusely illustrated tribute, this one to America's most famous and historic liner. Arguably the world's most articulate and authoritative maritime historian, John Maxtone-Graham documents SS United States, her design, construction, and seventeen years of impeccable service. He introduces us to dozens of U.S. passengers, famous and infamous, as well as captains and crew. The last great American ocean liner, SS United States could be converted to a 14,000-man troop carrier and was capable of attaining a speed of over 40 knots (although in her luxury Atlantic crossings the ship was much slower). Sadly, jet travel put an end to ocean crossings, and the all-aluminum ship rests in Philadelphia while groups of fans continue to try to repurpose it. 200 color illustrations

Book Information

Hardcover: 240 pages

Publisher: W. W. Norton & Company; 1 edition (October 27, 2014)

Language: English

ISBN-10: 039324170X

ISBN-13: 978-0393241709

Product Dimensions: 10.4 x 1.2 x 11.3 inches

Customer Reviews

John Maxtone-Graham (1929–2015) wrote many books on trans-Atlantic ocean travel, among them *Titanic Tragedy: A New Look at the Lost Liner*, *Normandie: France's Legendary Art Deco Ocean Liner*, and *The Only Way to Cross*, which has been in print for almost forty years.

Very disappointing. Not up to Maxtone-Graham's usual standards. Poorly written in some places. A few factual mistakes and a lack of quality photographs. There are thousands of pictures of the UNITED STATES. Why so few here? Many of those that ARE included are of poor quality. Overall this is not the book I was expecting.

This is a wonderful book. I was so anxious to have it because this is how with my Air Force husband and our family returned from a Paris assignment years ago. The book is beautiful, I gave one to each of my children.

Excellent book. John Maxtone-Graham is the most outstanding author of books dealing with ocean liners, and this is one of his best. Recommend this book to all who are interested in the subject.

Wonderful book from top author Maxtone-Graham!!! From text to pictures.... a great read.

little dry - but very informative.

An amazing work on the fastest ocean liner ever built. With the Queen Mary the only liner still in existence.

Wonderful book. Brings back so many memories of a great ship.

Amazing book!!! This ship is so special, to a large number of people who are hoping she'll one day be refurbished instead of rotting at port...
