Customer Reviews

Lot of information for a small price. Great field guide.

We were looking for information about the different bottle types and styles and how to tell them apart from one another. This book shows pictures about everything except the different bottles. It was not what we were looking for, but will be something we can use in the future, so it wasn't a total waste.

Warman's Coca-Cola Field Guide: Values and Identification (Warman's Fieldas described. Prompt delivery and well packed.Am very satisfied and will recommend it to friends

Very informative and useful when appraising products on the open market.. well thought out and

clear images of the items.
