Lost In Translation Vol. 1: Rediscovering The Hebrew Roots Of Our Faith

Synopsis

Despite the sensational nature of its subject, *Lost in Translation: Rediscovering the Hebrew Roots of our Faith* is written in simple, clear, rational language that relies 100 percent on the Bible as the ultimate authority. The book's authors clear away centuries of confusion surrounding subjects that are seldom addressed in modern sermons and Bible studies. Using the ancient Hebrew language and culture, the authors clarify many of the Bible's so-called "mysteries" and help the reader rediscover many of the foundational truths that have been "lost in translation." Topics include: Who is the Bride of Messiah? Is there a difference between covenant and testament? Israel: Who are they really? What is the difference between devils, demons, and nephilim? Join us on an exciting adventure to rediscover the treasures still buried within the pages of The Book that reveal the pathway to the heart of God. "A must-read for the church! Providing foundational insights which lead to a greater understanding of God's master plan, this book will open your eyes to scriptural distortions due to the centuries of Greek influence on the church." - Corey Berti, Senior Pastor, Silver Valley Worship Center, ID "I've been a believer for 12 years, and I've read numerous scriptures that didn't make sense. The authors do a tremendous job of explaining the importance of understanding our Hebrew roots which provide context and clarity to the overall theme of God's message. It's like watching TV in black and white and then suddenly seeing it in color. The truth hasn't changed, but it's meaning becomes more vivid." - Jason Carr

Book Information

Paperback: 218 pages

Publisher: Selah Publishing Group, LLC (November 1, 2007)

Customer Reviews

EXCELLENT BOOK WITH MANY EXAMPLES. IT DETAILS THE MIS-TRANSLATIONS FROM HEBREW TO ENGLISH SUGGESTING THE ENGLISH BIBLES ARE TO BE READ WITH QUESTIONS. MANY HEBREW WORDS DO NOT TRANSLATE TO ENGLISH. FOR EXAMPLE IS HESED WHICH INCLUDES A LOT MORE ASPECTS RELATING TO LOVE.

I am still reading this series of 3 volumes. Volume 1 answered a lot of questions I had about covenants in the Bible and gave the key for understanding Revelation in a way I could grasp. Volume 2 was just as excellent, revealing more information about the meanings in Revelation in relation to the Menorah structure and the customs of Temple worship and of the Betrothal and process of the wedding preparation in ancient Hebrew culture that explain many of the events described in Revelation. I am currently reading Volume 3 and finding it just as revealing. The book brings in scripture from throughout the Bible to clarify some of the teaching in Revelation. In the end, I do not know yet whether all of the authors' interpretation is accurate or not. Some of it is very new to me. But it makes sense. I do still have some questions. It certainly spurs me on to read more of the scriptures and to pray for continued learning.

WOW!!!! This book has opened my eyes to a lot of things that Christians are missing by reading their Bible and not knowing what the original translation of a word was and how it was used in the culture for which it was written. I received the book on a Friday, and had 5 chapters read by Sat morning. It is a hard book to put down. It explains a lot of things that I just accepted because it was in the Bible and I accepted the footnotes that translated the passage. The Bible translators really missed a lot of Jewish history about traditions mentioned throughout the Bible, but not necessarily how they applied to us today. It is a series of three books and I look forward to reading all three as soon as possible. This book is written by two very knowledgeable Messianic Jews. I highly recommend this book to enhance every Christian's walk through their Bible more valuable. Wish I had found this series of books sooner.

This book is hard to put down because (if you're a student of the Bible) of the way your mind will race connecting all the dots where other views leaving gaping holes. The Bible is one book, not an old one and a new one. It all fits together, no part of it is just "throw away", and "all scripture is profitable." I highly recommend this book if you are interested in the truth of scripture even if it goes against the traditions of man.

I appreciate the author's research and teaching. I have found the three books very helpful and would like to be able to give a set to all who seek better understanding God's plan from beginning to end.

Great book

This book gives non Jewish readers a much better understanding of many events and sayings in the Bible. The Bible, both Old and New Testaments, originally written in Hebrew, need to be considered from Hebrew thought instead of strictly from a Greek or Western viewpoint. I appreciated the expansion of understanding this book relates without being offensive.

In the "Christian" world, we have been deceived through wrong teachings! However, in these last days, the truth will set you free. It is necessary for us to come back to the Hebrew Roots of our Faith. Remember, there was no "New Testament" when Yeshua was teaching His disciples about His Kingdom and the way to repentance and everlasting life! The first believers in Yeshua were Jews/Hebrews, who understood Yeshua's teachings from The Torah, The Writings and The Prophets, which were Hebrew!!! The Torah is The Instruction Manual to Life through the Jewish Messiah Yeshua. Choose Life!!! Follow Yeshua's instructions given in the Torah, not man made religion!
