Customer Reviews

Perfect for keeping me organized at work - great product!

Exactly what I was looking for and the pages really didn't bleed through with the pens I was using, I didn't try too many different kinds of markers, but mine worked fine without bleeding.

The pages are thin and the ink of my sharpies bleeds through. I will have to use colored pencils for this journal. I love the cover though!

Great quality, perfect size, not too small but not too bulky, pages are of good weight so ink is not

bleeding through front to back, the grid dots are perfect for bullet journaling (look it up - it's a game changer!)- and plus a more true mantra for my life could not have been selected. And for the price? Couldn't be happier - Buy this!
