Great Tales And Poems Of Edgar Allan Poe (Enriched Classics)

Synopsis

Enriched Classics offer readers accessible editions of great works of literature enhanced by helpful notes and commentary. Each book includes educational tools alongside the text, enabling students and readers alike to gain a deeper and more developed understanding of the writer and their work. The melancholy, brilliance, passionate lyricism, and torment of Edgar Allen Poe are all well represented in this collection. Here, in one volume, are his masterpieces of mystery, terror, humor, and adventure, including stories such as *The Tell-Tale Heart*, *The Cask of Amontillado*, *The Black Cat*, *The Masque of the Red Death*, *The Murders in the Rue Morgue*, and *The Pit and the Pendulum*, and his finest lyric and narrative poetry—*The Raven* and *Annabel Lee*, to name just a few—that defined American romanticism and secured Poe as one of the most enduring literary voices of the nineteenth century. Enriched Classics enhance your engagement by introducing and explaining the historical and cultural significance of the work, the author's personal history, and what impact this book had on subsequent scholarship. Each book includes discussion questions that help clarify and reinforce major themes and reading recommendations for further research. Read with confidence.

Customer Reviews

Edgar Allan Poe (1809-1849) was an American writer, poet, and critic. Best known for his macabre prose work, including the short story "The Tell-Tale Heart," his writing has influenced literature in the United States and around the world.

Obviously, there is a complete collection of Poe's stories and poems out there but this is still a great little book to have for any Poe fan. Most of the best are here and it even provides some background information about Poe and the stories. For the price, you really can't go wrong here.

What can you say about Poe? His writing is both scary and delightful, but, this book adds extra info that makes it even more pleasurable.

great collection of some of Poe's best work. love this book.

Poe's stories are among the best short stories ever written - extremely intense and very original - lots of great ideas for writers looking to say something in a different way.

I needed to read The House of Ushers for a class, but I'll probably read "The Tell Tale Heart" and "The Cask of Amontillado" too. I loved Poe in high school a long time ago.

Edgar Allen Poe, great stories excellent writer

I learned a great deal about Mr Poe in reading this book and now able to appreciate his poetry and stories that much more. I was of the impression he was just a very talented layabout and that is not the case whatsoever. I enjoyed the book and appreciate all the facts and background included and the way in which they were conveyed in more of a story form than that of a textbook!

I used to rent this book from the library in our high school as often as I could. I'm so happy I found it online!
