Customer Reviews

This hardcover edition of the New American Bible Revised Edition is an excellent Bible of study/classroom settings. --Publisher

After trying several different Catholic Bibles, I was pleased to find this one. It is the latest version of the NAB, Revised Edition. (Even includes a page with a picture of Pope Francis!) It has a nice looking cover. It is just the right size to carry - and it feels like you are carrying a Bible (if that makes sense). The print is no smaller than any other Bible that is not XL. While all Bibles today seem to be appropriate for all Christian denominations, I am glad to have what I believe to be the most current and appropriate Catholic Bible.

This is my first Bible I've owned and so far I'm impressed. The print quality is impressive and it's a portable size. The hardcover is really nice looking and has stayed in good condition regardless of it bouncing around in my backpack. It comes with a wealth of information in the front and back and even includes a picture of Pope Francis. I see no reason I'd need a different Bible.

Print is smaller than i expected and the binding is too tight. There is practically no inside margin so it is difficult to read text near the center. Otherwise, nice edition, good size and the ede indexing is a good feature.

Well made inexpensive Catholic bible. The pages are thin and text can be seen through them, but it lays flat and is high quality.

a must have

Prefer the King James version, but this was mandatory for school.

Excellent book with footnotes, history, maps, easy to understand.

all good
