Saddleback Educational Publishing has been the leading source of solutions for struggling learners in middle school and high school for over 29 years. Saddleback publishes Award-Winning Urban Fiction, well-known Illustrated Classics, Adapted Classics, supplemental alternative curriculum as well as the largest assortment of hi-lo (high-interest, low-readability) books. Saddleback believes that by engaging the reader with age-appropriate covers and content, even the most at-risk and struggling learner can achieve success.

I purchased this book for my 6 year old son who had to write a report on black history month. I thought the graphic element would be appropriate for a young reader. While the reading level was fine for him the subject matter was not so. Could have definately kept the content much lighter and NOT talk about child molestation.

My son is a big MJ fan and this was a disappointment. The graphics are a little creepy and the content of the book discusses his trial and death in a way that is not appropriate for young readers.

The front cover was bent. Not worth the money.

This is a awesome comic book style take on the life of the beloved Michael Jackson. This is the first time I saw any magazine of this kind around anywhere. A great keepsake for MJ fans. Colorful and informative. I would buy more if they publish any of these in the future.

The book about Michael was very informative and now I know a lot about him. I loved this book a lot.
