Laugh Out Loud

Synopsis

Get ready to Laugh Out Loud (a lot!) with James Patterson's newest illustrated middle grade story! Jimmy loves reading so much that he's inspired to start a book company for kids--run by kids. It's a big dream for a twelve-year-old boy--some would even say it's laugh-out-loud ridiculous! But that doesn't stop Jimmy from dreaming even bigger! His company will be as imaginative and fun as Willy Wonka's chocolate factory...with a Ferris wheel instead of an elevator, a bowling alley in the break room, and a river filled with floating books! He just has to believe in himself and his idea. (And maybe win the Lotto.) In this hilarious story filled with clever references to children's book favorites, James Patterson shows young readers that anything can be achieved if you believe in yourself no matter what!

James Patterson received the Literarian Award for Outstanding Service to the American Literary

Community at the 2015 National Book Awards. He holds the Guinness World Record for the most #1 New York Times bestsellers, and his books have sold more than 350 million copies worldwide. A tireless champion of the power of books and reading, Patterson created a children's book imprint, JIMMY Patterson, whose mission is simple: "We want every kid who finishes a JIMMY Book to say, 'PLEASE GIVE ME ANOTHER BOOK.'" He has donated more than one million books to students and soldiers and funds over four hundred Teacher Education Scholarships at twenty-four colleges and universities. He has also donated millions to independent bookstores and school libraries. Patterson invests proceeds from the sales of JIMMY Patterson Books in pro-reading initiatives.

Not a review, but a question. What age group are most Patterson children's books and this one too ?Does he write different age group books? 5 to 7.....8 to 10....11 to 13.....14 and up ????????I have lots of Grandkids. I want them to find the joy of reading.
