Book Of John Book/Online Audio-Wicked Guitar Licks & Techniques For The Modern Shredder

Synopsis

(Guitar Educational). Are you a rock or metal guitarist who wants to expand your technique vocabulary? Better yet, do you want to learn from a songwriter and composer who has played with the likes of Lita Ford, Rob Halford, David Lee Roth, Meat Loaf, Marilyn Manson, and Rob Zombie? If so, this collection of lessons by shredder extraordinaire John 5 is for you! Lesson topics include: arpeggio licks, flamenco fingerpicking, string skipping, speed picking, country sounds, tapping, infusing techniques, hybrid picking, exotic and outside sounds, and more! The book also includes recorded demos of each exercise. The audio is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

Book Information

Paperback: 64 pages

Customer Reviews

Great book of licks to add to your lick arsenal. I like that John gives tips on the most effective way to play each lick such as fingering, picking patterns, upstroke or downstroke etc. Each lick had almost a page worth of input on how to approach the licks along with scale theory and technique. Most guitar lick books just have a bunch of licks laid out without the author giving much input. John does a great job of giving his input and approach. There were some licks I didn't care for but i feel like with any guitar book as long as you can absorb some good material , the author has done their job.

by the time i bought this book i had already been playing over a dozen years. that said this still significantly improved my skill due to some epic scales. learning all the scales in this made me learn and grow as a guitarist more in 6 months of owning it than i did in the last 3 years.

Husband loves

Really, really interesting book, lots of great material inside. The style varies from modern shred to flamenco and country and something in between. This book is a great licks and techniques experience

It's a good book. Some licks are useful, but some are not really...

John 5 da man.

Interesting book, full on variety with licks, gotta love the behind the nut bends, would love to meet John 5 one day... I better get my makeup ready! Just joking...;p Checkout this book if you dare it will ooopppeennn yyyooouuurrr mmmiiinnnddd!!!

Good
