# Relating With Money

## **Synopsis**

Most people never realize the impact that the issue of money has on their personal and family lives: studies show that the number one cause of divorce in North America is money fights and money problems; single adults often live loose financial lives because of a marked lack of accountability; children are raised with no clear financial training from wise parents. In this vital section, *Relating with Money*, Dave reveals that money isn't always just about money. Usually, it is about so much more.

This was purchased for a gift for a friend who was having a difficult time financially. I got the CD so the "no time for reading" excuse wouldn't be available ;) We've been on the Dave Ramsey program for a few years now and will be completely debt-free (Lord willing) before the end of the year (even with 5 children, one of which has undergone over \$3 million dollars in surgeries). I hope you find these methods to be just as much of a blessing as we have.

Bought a bunch of Dave Ramsey things for my granddaughter that is just starting out on her own. She LOVES them all (DVD, books, etc...) and said she has learned a LOT!!! Thank you Dave Ramsey!!!

I bought this for my son to listen to, he hasn't yet but plans on it and it came in the mail quickly after I ordered it.
