Performed by Robert StackTwo cassettes, 2 hours Young Mike Bastian was raised to be an outlaw. Now it is time for him to take over a crooked empire from his adoptive father, Ben Curry. But Bastian isn't sure he wants to be a cow rustler-especially after he meets the enchanting Drusilla Ragan. Can he defy Curry's legacy of crime? Bastian finds out the surest test of a man is whether he can walk alone.

Louis L'Amour (1908-1988) was an American author whose Western stories are loved the world over. Born in Jamestown, North Dakota, he was the most decorated author in the history of American letters. In 1982 he was the first American author ever to be awarded a Special National Gold Medal by the United States Congress for lifetime literary achievement, and in 1984 President Reagan awarded him the Medal of Freedom, the highest civilian honor in the nation. He was also a recipient of the Theodore Roosevelt Rough Rider Award. Jim Gough's distinctive voice is well known in the Southwest through his hundreds of commercials and radio shows. He has also appeared in such feature films as Urban Cowboy, Places in the Heart, and JFK. A native of Austin, Texas, he can also be found entertaining with his western swing band, the Cosmopolitan Cowboys.

First began reading Louis' over fifty years ago as an adjunct to young boy books. Thought that I had read everything he scribbled, but recently found this as a Kindle offering while surfing and didn't recall it as ever being in my library. I had to download it. First, there has never been a more readable writer than Louis; he presents a good drama and always starts his stories with an attention grabbing opening sentence. If you like an oater, there is none better than Louis to take you back to the the West and provide a romantic glimpse to the frontier and the people and characters that opened it up and made the the American West. Peach Meadow is not his best, but who cares? It is readable, gives good heroic characters, and passes a couple of hours very pleasantly.

I have always liked L'Amour's writing. If you like a good tale, I think you will like this one too.

L'Amour never disappoints. He is a great story teller.

Short read but a great read. I enjoyed how it seemed a full story and all the information given in a short time. Worth reading. Don't miss it. Louis L'Amour does it again

Enjoyed the story,as I do all of L'Amour's books.Very short and simple. Good description of the country being covered

Always a good read. These stories have been published many times in many forms.

Louis L'Amour is our favorite story teller. He makes the old west come alive.

L'Amour's own style of storytelling. Good read. God guys and bad guys all mixed in this one. One of his best.
