Customer Reviews

Older book but provides good information. Color and B/W photos. Some kind of mix-up in mailing book but book received in good shape.

If you are interested in The Men who are the Queens Household Brigade. Then this is the place to go as it is not your usual boring Regimental History but more of a fly on the wall type of book. In it with no names mentioned. (No names then no pack drill as they would say) You get a good taste of what it must be like to be part of the one of Britain's oldest and proudest group of soldiers. This Book is very well worth the time and money if this is your interest.
