Customer Reviews

Got it for my uptight honor student, whom I may add has never been caught saying anything darker than "darn". She was a bit embarrassed at first, but soon I found a neatly colored panda with one of my favorite catch words left on my war chest for me to admire.

This book is absolutely adorable! It relieves stress and allows me to color out my frustration! Who doesn't love swearing and pandas?!?

Purchased as a gift, it was perfect!

It was a gift and she loved it. I am extremly happy with it.

With all the 'panda-monium' going on the interwebs at the moment, it's great to be able to sit back with my coloring implements and get calm, centered, and focused by my Sweary Pandas. Love this book! :)

Gave this as a gift, got compliments from everyone! Awesome gift for the adult who loves pandas & "sentence enhancers". Recipient loved it!

I got this as a gag gift for my grown son. He enjoyed it way more than I thought he would! Pretty sure this was his favorite gift this Christmas!

Exactly what I expected. I bought it as a gift for my best friend and she loves it.
