# Corfu, Greece Travel Guide - Sightseeing, Hotel, Restaurant & Shopping Highlights (Illustrated)

## Synopsis

Corfu, located just off the west coast of the Greek mainland, is the second largest of the Ionian islands. Situated at the meeting of the Mediterranean and Ionian Seas, Corfu is known for its sprawling, magnificent beaches and beautiful views of its glistening waters. Its Greek name, Korkyra, has its origins in mythology as the island's namesake was the romantic interest of the great sea-god Poseidon.

## Customer Reviews

This is a VERY low quality - lack of information book. I would give it less than 1 star if they would allow me. It comes in VERY large type - i'm guessing so that it appears bigger than it is. It has NO maps, FEW pictures - and the ones they have are blurry. It appears to be written by a child doing a middle school project on a location. It is no sort of guide at all. I purchased it even though it had no review - i'm writing this review to say - DON'T RISK IT. IT's AWFUL!!!! I also purchase the "Top 10 Things" for Corfu. It had received poor reviews - but I risked it because I own other "Top 10 Books" I have enjoyed. Buy that one. DO NOT waste your money on this one. And whoever writes/publishes this book: go back to the drawing board and try again. Yuck!
