Customer Reviews

as a newcomer to the madison, wi area, this map has proven invaluable to me in finding my way around. it is up to date, accurate, easy to use, and most of all....DURABLE. this map is laminated in such a way that you can fold it to expose any given area of the city. you can also mark on it with dry erase markers to mark spots of particular interest. there is a road index to help find where your going (or where you are!) and lots of inset maps of outlying areas of interest. i would recommend one of these city maps wherever you are.
