All She Wanted Was Real Love

Synopsis

Saxon "Grey" is a privileged ladies' man, who is enjoying life and not looking to settle down anytime soon. He's in a carefree open relationship with his on and off again girlfriend, Lisa, but they are both one in the same. Lisa feels that she can have any man she wants, and it's her way or the highway. She knows that Grey isn't faithful, but she truly feels that he wouldn't double dip with any of their friends. Anything he lays up with would be a hit and miss. Nothing serious or so Lisa thought. She had no worries about someone taking her place. Mina is Lisa's best friend, and they have somewhat of a love/hate relationship. She's also harboring a secret that could be the icing on the cake to finally put an end to their toxic friendship. She only has one person she really cares about, and that's her male best friend, Truth. Truth is like a brother to Mina and makes sure that no one is trying to get over on her, mainly men. He is also friends with Saxon and has his eyes set on his little sister, Sabella. Sabella is just getting out of a relationship with her ex, Daren, and is looking for something new in her life. She grew up around Truth, but never looked at him in that way, even though he just may be what she needed all along. In this story of life, love, and betrayal, you'll see that all she wanted was real love.

Customer Reviews

I liked the storyline from the beginning. I'm just finished reading part one and ready to turn up on part two... Left me wanting more ASAP! This was really a good read.

This story was so good to me. I just knew it was something about braylen that I didn't like. Can't wait to see what happens next

The book was good, not a graphic as I had imagined and I did not like the way it ended. I know there was a part 2 but it could have ended differently. Still this was a good read.

I liked this book. Grey is immature. I hope Mina and Truth get together. This book was funny and held my attention. Good read.

Wow..i hope it's coming out that's not Grey baby. Bray turned out to be no different then Grey or Daren watch the ex wife end up pregnant. And Daren will be popping back up Ali g with Money. I like Mina with both Grey & Bray i can't choose who I'd like her with most, in all honesty Bray would be better because his history is not trifling as Grey cheating self. Man Truth & Bella so authentic and awesome together thank you they are frameless with the exception of I don't like him(Truth) and Mina being the way they are They need to let that closeness go I feel Truth is in love with Bella something serious though. I hope to see a wedding in or 2.

This book was hilarious, shocking, and intriguing. It kept me turning pages to see what was going to happen I couldn't get enough. I can't stand Lisa conniving behind. She be doing to dang on much and need to have several seats somewhere. How she did Mina smh. I was hollering at True birthday party. True that's BAE Grey is too though. That ending.

Oh no..... I don't care for Lisa but not the baby... I understand Braylen is upset but you can't be putting your hands on women.. Besides he's holding on to secrets too. I love Bella and Truth together and I hope Mina is alright so her and Grey can get together and make it work. I will

definitely be reading the next book.

At first I like Mina but she wasn't like that somewhat Lisa is a different story Bella seems like a good girl. I wanted Mina and Saxton together. Truth tickle me how he act about Mina. Lisa is a trip. Can't wait to see what happen to Lisa and Jr
