Customer Reviews

Another fun and action packed book from Dr Block. It has lots of twists and turns, great new characters, and a surprise ending too. I loved it!

Well written, exciting and when Dr. Block leaves you with, Right?, you know another great minecraft book is coming. Can't wait!

Dear Dr. Block, I think that once again you have outdone yourself. This book was totally epic, so much that I almost freaked out. Luckily, I didn't. So, first off. I was SUPER excited when I saw my name in the book!! Thanks soo much man. Also, the plot/war was amazing! The way everyone teamed up on evil mad scientist dude while piggy freed the prisoners. However, I was devastated when piggy died, with his last words "I just wanted to be loved." Sniff. The quality was also super nice, but pictues with backgrounds and captions would be a lot better to your books. Now, last but not least is goodbye, and keep on making tons of good books!!P.S. Can I be in another book too?P.P.S Here is a chicken.
