Learn French: Short Stories For Beginners To Learn French Quickly And Easily

Synopsis

Learn the language of love with short stories. This is the ideal book for students of French who want to take their comprehension of the language to the next level. Rather than being a traditional French grammar book, it offers listeners a series of short, easy stories in both French and English. Listeners can bypass the step of memorizing complicated French syntax rules by simply learning them as they listen. The English version is always available so that they can check their understanding, and each chapter includes a detailed vocabulary section at the end, which is excellent for learning new words. Learning vocabulary in context also helps with understanding and remembering words. It's an all-around better technique than using traditional flash cards, and it's also more fun! This audiobook has a handful of features that set it apart from other, similar books. Each story is followed by a short set of grammar, vocabulary, and comprehension questions. Listeners who want to test themselves before listening to the English version of the story can skip to this section. The book is highly navigable, and answers to the question sets are found in a separate chapter at the end, so it's impossible to cheat accidentally. Finally, the stories follow a graduated level of difficulty. All of the stories are written for beginning French students and are geared towards learning basic vocabulary and grammar skills. The final story in the book, however, adds an extra challenge by using the past, rather than the present, tense. Listeners who are looking to improve their French in a fun and easy way will love this innovative, easy-to-use book.

Customer Reviews

This is a good book for learning French in a proper way. The contents of the book are systematically organized so that we the learner can grab the language easily. I have enjoyed learning French

through this book.

Learn FrenchÃƒÂ¢Ã â¬Ã Â• has a handful of features that set it apart from other, similar books. Each story is followed by a short set of grammar, vocabulary, and comprehension questions. Readers who want to test themselves before reading the English version of the story can skip to this section. The book is highly navigable, and answers to the question sets are found in a separate chapter at the end, so itÃƒÂ¢Ã â¬Ã â„¢s impossible to cheat accidentally. Finally, the stories follow a graduated level of difficulty. All of the stories are written for beginning French students and are geared towards learning basic vocabulary and grammar skills.

This is so helpful for students/beginners in learning other languages especially French. This is a nice, good, short but easy story book (in French and English). The author geared these towards learning basic vocabulary and grammar skills. This will improve their speaking in French in a fun and easy way. Nice, easy to use, self-taught nook!

This book helped me to organize myself to learn French. I love the step by step instructions for each chapter it was really easy for me to understand. This book gave me the perfect approach to learning French while staying motivated.I really recommend this book to anyone interested in learning the French language.

A perfect book to learn French, this is a step by step guide. and also detail vocabulary also available in the book. I learn French because I want to expend my business up to France so I get this book for my reading and I am very happy about it because now I understanding French and its wording thanks.

I seize this book because I wanted to learn French Language. It assist me for advance learning of this language. This book shared unique short stories that challenge my comprehension.

Interesting! Learning new language for me is so fun. Learning a new language may be difficult in the beginning, but achievable fairly rapidly if you start off in the right foot. I would recommend this book to anyone who desires to learn French. Reading this book is all worth it.

This is a really good book for beginners and advanced beginners. The stories are engaging and well

written. The story summary and vocabulary that appear at the end of each story is very helpful and a great teaching tool. Happy to say this book has helped improve my reading comprehension and has given me confidence to experiment with new words.
