Daedalus: A Tale Of Savannah

Synopsis

BEST SELLER - #4 KINDLE SHORT READS 30 MINUTE READS TRAVEL

CATEGORYSeptember 19, 2005, the heat waves danced off the teeming, blackened windows of a small wooden house in the city's Trustee's Garden section. Inside lay the bodies of Bob and Tina Stoddard, decaying in the Savannah swelter. This is their story.

Customer Reviews

This is a well written and disturbing piece. It's mercifully short, which is a good thing. Why prolong a downward spiral? I'm left shaking my head, with pity for those involved, and a sense of unease that any of us could end up in similar straights. The worst thing is, that I GOT a quick reference to the dark teeming windows. I think ordinarily I would have missed that, but fate was unkind and now I will carry the disturbing visual image. Recommended.

This is the concise account of the decline of Bob & Tina Stoddard of Savannah, neighbors of the more famous Jim Williams of Mercer House. Despite the brevity of the story, the author manages to create an authentic atmosphere of Savannah, with tidbits of history that are interesting and do not

slow the narrative. Easily read in less than 30 minutes, it will stay with you far longer.

\$2.99 for only a few pages. Thought this was a book. Should be listed somewhere that this isn't a full book but only a few pages.

This is an exquisitely-written and obviously thoroughly researched account of the decline of a gentile Savannah family that, in a way, mirrors the more general decline of the gentile south. Mr. and Mrs. Davenport have done an extraordinary job of bringing to life Bob and Tina Stoddard. I would recommend this piece to anyone interested in Savannah, past or present.

This short non-fiction piece is captivating. Creatively written, and delightfully original while telling a tragic story of human frailness. Highly recommend.

I bought this book because I am from Savannah and the summary intrigued me. Boy was I disappointed. Luckily Daedalus was short, because it was a waste of my time. The author's attempt at imagery fails, and the storyline is not very interesting. When writing about Savannah, most authors can accurately describe the city's atmosphere. And it isn't hard, with the cobblestone streets, the moss hanging in the trees, and the wet heat. This author had a hard time. I also felt that this story piggybacked on the popularity of *Midnight in the Garden of Evil*, but not in a good way. That especially bugged me.
