The Complete Illustrated Map And Guidebook To Central Park

Synopsis

Central Park: it's New York City's urban paradise, and this colorful guidebook documents every stunning inch of it. A detailed map covers all 843 acres, with icons pointing out the best photo sites, most important monuments and statues, locations of restaurants and public services, and many other features. The highlighted attractions include Belvedere Castle, the Wildlife Center & Zoo, and great bird watching spots, while a handy sports section offers comprehensive information on jogging, tennis, biking, and rowing. Plus, you'll find leads on six walking tours, a seasonal flowering guide to the park's plants and trees, and ideas for fun kids' activities. With over 100 full-color photographs, including a full illustrated history of the park, this outstanding volume is packed with fascinating facts about New York's popular garden spot. A

This is a very good book for someone thinking about going to Central Park in Manhattan, New York for the first time. There is so much history in this park of 843 acres, it will take a good amount of time to see everything. There are a lot to take pictures of so have lots of film and batteries with you. thanks . Pam Spector.

shipped promptly, wonderful guide and pictures, so many interesting stories on the history of central park, thank you!

Used it to tour the Park! Read it cover to cover!

This slender volume fits easily into a purse or tote and gives you a wonderful sense of what Central Park is all about. it's a beautiful book.
