Mediterranean Islands

Synopsis

A unique and comprehensive guide to the islands and islets of the Mediterranean, and essential reading for Med lovers, island-devotees, sailors, 'escapers' and anyone dreaming of their next Mediterranean holiday. Mediterranean Islands is a unique guide, providing detailed information about every one of the 218 islands offering accommodation, in addition to cataloguing and mapping over 1,000 islands and islets for the first time.

Customer Reviews

Useful book, in nice condition

The great feature about this book is that the author has traveled extensively to the Mediterranean and put his heart into making this book everything you need to know to have a great trip. It was perfect for planning our trip because it was a once in a lifetime adventure for us, and we were able to determine which were the nature areas and which were the party areas, and how quickly we could hop around to each. The author rates the islands by mood and features and provides links so you have the option to easily do more research on your own. It's packed with photos, and the maps are handy. There's a lot of information about the flora and fauna and sea life. If you enjoy travel writing or armchair travel, you may like it too. Our friends did. It's a beautiful book.
