Shipping Weight: 1.1 pounds

Average Customer Review: 3.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #4,319,141 in Books (See Top 100 in Books) #14 in Books > Travel > Central America > Belize #41 in Books > Travel > Central America > El Salvador #428 in Books > Travel > Central America > Costa Rica

## Customer Reviews

Enjoy a survey of one of the lushest wildlife areas of the world: an outdoor-oriented journey which covers private parks and reserves as well as lesser-known wildlife areas. Adventuring in Central America is an excellent review of the parks and their offerings: a title which profiles the best of Central American outdoors experiences. -- Midwest Book Review

If you want to get a real feel for the place without falling asleep, save your money. The author takes an otherwise fascinating subject (the outdoors Central America) and, using lifeless prose, makes you wonder why you were ever interested in CA in the first place. Hotel listings are scant, as is specific information about destinations. No pictures or maps. Possibly good information about hiking, but not much on the safety of such excursions. The Let's Go guidebook has more specific info (though not only on the outdoors) and is much more enjoyable to read.

Hi, I am working at ILISA Spanish Language Institute in San Jose, Costa Rica and I just want to let you know that this book help our students a lot by giving them helpful tips and by making any travel plans for the weekends. Thanks!

I live in Nicaragua -- can only comment on that location. This book is just ok to supplement. Buy Lonely Planet Central America for detail (it's better than the Rough Guide).
