Customer Reviews

I visited the city for 3 days and I used this book to get around. It was a great experience and I learned quite a lot.

This guide is giving us a great idea of what we need to see and do when we visit Manchester later this year. It has a good mix of straightforward destination descriptions, themed sections, and photos. We're getting excited at all our options thanks in large part to this guide!

Great book. This book is improved our technology etc. its very useful and extraordinary guide

Thought it would have more info. Indicated Liverpool would be included, which wasn't. Good hotel info, but no pricing mentioned
