This looks like a marvelous help for me and the children I work with! I will be able to use it with my pre-school sunday school class as well as adapt it for the council time in AWANA when I have a mix of children from pre-school to 5th grade. Great ideas/easy to follow and lots of helps! Everything I was looking for and more! I will wear this book out! ! !

Fabulous summer curriculum option for large or small church groups. Creative, inventive, and full of ideas for every child in my program.....ages 3-12. Brought the teachings of Jesus down to a very personal, relational, tangible, interactive, hands on, and often humorous level. We all loved it! M. Adams Children's Ministry Director

It is a wonderful resource book used to teach parables to children and youth through role play and skits. It has many creative ideas that I can use to make the bible come alive for children. It is also a

great resource to connect the parables of bible time to today's life experiences.

The title is appropriate as the parables are presented in a manner that makes them entertaining and a delight to share with children. Multiple options are presented. They are not presented in a trivial manner, but rather a depth that covers all age groups.

This was a quick to use - study guide for the kids I work with (ages 10-11) I will have to modify a few lessons to "grow it up" for the group - but a great starting place for planning a lesson.

This is an excellent curriculum resource for Wednesday night children's study or Sunday morning children's church. Planning from this book takes minimal prep time, yet the lessons provide solid teaching of Jesus' parables.

good
