## Customer Reviews

Juicing is a wonderful thing. Juice is an excellent source of vitamins. The book Juicing Recipes for Rapid Weight Loss is great for those who aren't good at making their own recipes. I want to do lots of different juices. Some of our favorites included broccoli-cabbage-kale, pineapple-cranberry-apple,

and spinach-ginger-lemon. This is a good book to start juicing with and to start living more healthy with. It's really simple, tasty and healthy!
