Alfred's Essentials Of Music Theory, Bk 1-3: Ear Training, 2 CDs

Synopsis

Alfred's Essentials of Music Theory is designed for students of any age, whether listeners or performers, who want to have a better understanding of the language of music. In this all-in-one theory course, you will learn the essentials of music through concise lessons, practice your music reading and writing skills in the exercises, improve your listening skills with the available ear-training CDs (sold separately), and test your knowledge with a review that completes each unit. The Ear-Training CDs include recordings of acoustic instruments to be used with the Student Books in the series. These Ear-Training CDs correlate with Volume 1-3 (Complete) of the Student Books. The complete line of Alfred's Essentials of Music Theory includes Student Books, a Teacher's Answer Key, Ear-Training CDs, Double Bingo games, Flash Cards, Reproducible Teacher's Activity Kits, and interactive software for students and teachers in private study, studio and network environments.

Customer Reviews

Works good with book. Glad you had the cds. The music store where I purchased the book didn't have the cds

This is a great book for anyone to use especially children. My daughters understanding of music has been helped greatly by following along. Its not just about playing the notes. The way its presented is very helpful for any age. You should get this book- it will greatly help you or your children.

Excellent book. Multiple music teachers have been impressed with the thoroughness of the theory.

As described!

Teaching my granddaughter to sing and the books and cd combination are awesome. My granddaughter can work on this by herself.

daughter loves this!

I use this for private lessons and the high school classes.

This book met my expectations because It was all I needed for my class and it was very helpful
