The Illustrated Rumi: A Treasury Of Wisdom From The Poet Of The Soul

Synopsis

The bestselling poet in America today, thirteenth-century Sufi mystic Jalalu'ddin Rumi has inspired and enlightened thousands with his playful, passionate work celebrating the sacred in everyday life. Now the spiritual wealth of Rumi's stories and poetry in translation are accompanied by rare and wonderful art in the Sufi tradition. This fresh rendering brings new life to these incomparable parables, which have transcended time, place, culture, and religion to speak directly to the hearts and souls of contemporary readers. With a foreword by Huston Smith, these selections of the inimitable mystic's prose and poetry have been taken from all of the master's works. Each parable, such as The King and the Handmaiden, The Grocer and the Parrot, The Ugly Old Woman, and The Man Who Was Always Being Swindled, is related as Rumi might have presented it to his fascinated audiences, as he whirled in meditation and trance. But each story also has a spiritual message, a holy essence that applies across all faiths, uttered from the heart of Islam. Each of these messages is provided here in a modern rendering that keeps the flavor of this unique period of history, of culture, and of inspired, passionate beauty.

“exquisitely designed volume” | Perhaps the most commendable

aspect of The Illustrated Rumi is the Islamic art that provides a luxuriant context for the parables and poems. These designs and plates reveal the truth of the statement from Muslim tradition: *Ālāh -ĒœGod is beautiful and He loves beauty.Ālāh -â,,ĉĀlāh -Ā*• (Spirituality&Practice)

Beautiful writing of course, but not so thrilled with the packaging. More of a school text book than a beautifully bound coffee table book. Awkward size. Grayish pages/print. Would be better in hard cover.

I originally purchased this book simply to add to our Rumi collection. However, it has become an indispensable guide whenever one needs help or advice. The great Shaikh Jalaluddin Rumi is rightly considered the most outstanding mystic poet of all time and one of the most popular and widely read poets today. Anyone who purchases this outstanding, beautifully illustrated book will see why. It contains most of Rumi's well known stories, all with excellent translations. This is a book anyone needing guidance through the difficulties of life will greatly appreciate.

I chose this book as a gift for a friend dying of cancer. It was too large a gift for her but her mourning husband found it to be very moving.

Beautiful book, arrived quickly

I looked long and hard to find a hard cover edition of this book. We already have two soft cover versions. When I found it on a site, I immediately ordered it. I was a bit puzzled at the price which was lower than I expected. I went back to re-check it a few days later and noticed that the hard cover version was no longer listed as an option. About a week later, I received the paper-back edition in the mail with no explanation as to why my order was changed, or what other avenues I might explore to find a hard cover version.

Not what I expected

Amazing words of wisdom should be on everyone's shelf, as a go to book for inspiration.

A really beautiful book and highly recommend it. I left it at work for moments when I needed to relax.
