Thick leather-bound Bibles with gold-edged pages and ribbon bookmarks can be daunting. Enter this 100-page paperback, which condenses the New Testament tale of Jesus, as told by the New International Version, into a seven-chapter narrative. The main text maintains the Biblical chapter/verse feel: "In the beginning was the Word, and the Word was with God, and the Word was God." What is different are the omissions (signified by paragraph breaks) and what the publishers dubs "transitions" — italicized paragraphs that sum up scripture to keep the story moving. This is where the attitude, and some editorializing, comes in: "Imagine if you were introducing the Savior of the world. Wouldn't you make it a gala event? Call in the media? Spotlight the attending celebs?" Opinions about this tack, obviously, will vary. Other tweaks are more helpful, like the miniature time line that begins each chapter and the straightforward genealogy chart (not a single "begat" in sight!). Purists may scoff, but there is no doubt this makes for a fairly welcoming read. Grades 7-12.

I like this...it needs to be taken piece by piece for teens to get the most out of it. Don't expect them to read a chapter & leave it at that. Some chapters need a couple of session for discussion. And be ready for background questions!

This book is great. A good book for teen kids to help them learn about god and is love for them..

Easy read of Jesus' life. Great for when you just want to spend some friendly time with him and get his message without having to use a lot of commentaries and such. Adults will like this version too.
