Diving & Snorkeling Turks & Caicos (Lonely Planet Diving & Snorkeling Turks & Caicos)

Synopsis

Rising up from their shallow limestone banks, the Turks and Caicos Islands are set like jewels amid warm turquoise waters. Jump in and encounter tropical fish, sea turtles, wild dolphins, sharks, rays and maybe even humpback whales. Descend along bottomless walls lushly covered with corals and sponges. Explore deserted cayes, where the protected rock iguanas thrive. With miles of white-sand beaches, excellent visibility, unspoiled reefs, spectacular walls and abundant marine life, this British Crown Colony is an increasingly popular dive destination, yet it remains peaceful and easy-going. This book describes 44 of the region's best dive sites, with full-color photos throughout. You'll get specific information on: dive site depth range, access and conditions common and hazardous marine life topside activities and attractions comprehensive list of diving services 10 easy-to-read maps

Customer Reviews

Helpful book. Great place to visit but \$\$\$\$

Just what I needed for my vacations in Turks and Caicos. It had some years but some additional info about diving companies should be added.

I purchased this book after having vacationed in the Turks and Caicos Islands for 10 days, and

dived 16 of the dive sites mentioned in the book...some of them twice. The descriptions are very precise, as I was able to compare the authors comments with my own that I recorded in my dive log. It's not the first and only Lonely Planet Diving and Snorkeling Guide that I own, nor will it be the last.
