Customer Reviews

Like any dePaola book "The Parables of Jesus" is beautifully illustrated. The author's rendition of
the Parables is true to the Bible and easy for children to understand. It is my favorite resource for
teaching the parables to my kids' preschool playgroup. I usually don't like paying more than \$5 for a
used book-- this was almost \$10 (in good condition) and was well worth it.

I love the pictures in this book. They really make the parable come alive and make them more
understandable.

Very well written for a child, as expected for a book by Tomie de Paola.

Great for any Sunday school classroom

Tomie dePaola captures the truth and simplicity of Jesus' teachings. I had this book for my children and have recently purchase two used copies to put away for future grandchildren.

Perfect! Thank you!!

This is a wonderful book for the whole family and should be in every families bookcase. The stories are simply told and the illustrations wonderful

Love it!!
