Beverly Lewis (www.beverlylewis.com), born in the heart of Pennsylvania Dutch country, has more than 17 million books in print. Her stories have been published in twelve languages and have regularly appeared on numerous bestseller lists, including the New York Times and USA Today. Beverly and her husband, David, live in Colorado, where they enjoy hiking, biking, making music, and spending time with their family.

I am reading this series to my 2 five year old granddaughters. We have a 'grandma's reading club by phone' because I live in a different state. It is a nice way to connect with them. They are enjoying the books very much. The story is very sweet and totally relatable (real life situations). I specially appreciate the spiritual messages that are brought into it. As the characters face things ie., insecurity, jealousy, disappointment, etc, God's principles of dealing with them are developed throughout the story in a natural, real and valuable manner. Very good fiction for the young kids.

My granddaughter came to see me for a week. She's seven, and she read three of them. I like the clean, moral take on the stories. they're fun but teach good behavior. Needed today. :)

Excellent faith based books that my kids love reading!

I gave the first 6 book set to my granddaughter for Christmas and she finished the first two books in a week and loves them! I got her two more sets for her upcoming birthday!

My 5 and 3 yr old these Christain based books

Great set for the price. Good wholesome who done it for kids. Of course never read anything that Beverly Lewis wrote that wasn't good.

Bought for our 8 year old granddaughter. She says they are great.

My daughter and I loved this series! Perhaps written on a second or third grade level, yet they are interesting and fun!
