The Virgin And The Beast: A Dark Erotic Beauty And The Beast Tale

Synopsis

They say good things come to those who wait. Bullsh*t! My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off. And right when it was all starting to "I finally had the house, the job, I was even thinking about getting a cat" boom! "my life explodes and suddenly now I'm here and" "All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap. Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?" Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin." •INTERVIEW WITH THE AUTHOR:Q "Where did you get the idea for this book?" A "Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor"hello, this is the stuff dark romance is made of!Intended for mature audience. Steamy romance with dark themes.Q "Why should I read this book?" A "I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

Customer Reviews

This is a really good story. Mel will do what she has to in order to save her dad. She has a contract with a rancher. Going from living in NYC to living on a ranch, she does well with the adjustment. She is a feisty one and gets in some trouble with her "master" so she finally concedes and things get a little better for her. How she fights Xavier makes the story so much better..

Amazing!Mel and Xavier's story was really great for me, it was not really really dark but it works. The plotting was great, the sex scenes were really hot. The writing style was amazing and I cannot wait to read more about it.

Well done and thoroughly entertaining! This was a new author for me and I will be checking for more of her stories.

Man do I love an alpha male. I was mad, happy, and confused but love every minute of it. A wonderful story!!

great story, loved the background on Xavier. romantic ending.

Very different, but good.Can't wait to see if second book comes out.

Love this book

Holy Chit - this is one of those Dark fairy tale retellings that will leave you defenseless and still

engaged well beyond the last page it is hard to write this review without giving spoilers - because even the slightest word can give this whole story away I definitely recommend for lovers of a good emotional dark read - it's not pitch dark but it comes close in some areas If you are the least bit squeamish or are hesitant when it comes to dark subject matter than this is not the book for you If you are looking for a dark erotic read that touches the taboo both psychologically and physically - then this is definitely for you! It took me a few chapters to let go and enjoy this story - yeah I will admit Xavier has me a little on the fence still not sure how I feel about him, - you will get it when you read the story - the guy needs a breeding mare. that is all I am saying Melanie - let's just say the girl is just in a bad position all around - I am going to add on a personal note I do wonder if it is Stockholm after everything she went through
