Forget Nico: Falling For The Wrong Italian (The Italian Saga Book 3)

Synopsis

"I'll Give you the Sun" meets "Lola and the Boy Next Door" in Italy. Swoon laugh and cry with this irresistible, insightful, Italian YA romance. Italy, the 90s. Teen bookish tomboy Leda is torn between handsome, loyal Alex and her long-term feelings for childhood friend Nico, who's dark and unreliable. While Leda navigates through puberty, her parents' separation, and high school, her friendships develop in unpredictable ways. Both sweet Alex and hurtful Nico are hiding secrets that she will have to unravel to make sense of her own feelings and the infuriating, sizzling chemistry with her old friend turned enemy... As always, Amman's unique mix of humor and empathy makes it impossible to stop reading, as she skillfully intertwines the stories of many teens struggling with loneliness, angst and, of course, love. Her vivid descriptions of Cinque Terre, Sardinia, and the Alps can only add to the irresistible charm of this intriguing romance.

Customer Reviews

This book was great! As this series progresses it just gets better and better in my opinion. The main

character, Leda, matures throughout the story as she struggles with all the frustrations of being a teenager. The author, Amman, really portrays these difficulties of being a teenager while also creating levity through her humor. You'll find yourself connecting with not only Leda, but her friends as well, as you cheer for and against the relationships that develop in this story. It is so interesting to really see how a teenage girl thinks/feels/reacts to the situations she has to face growing up!

This book was amazing! The author has a very unique writing style. She transports you back in time to when you were younger. The author tells things like they are and does sugar coat the truth Or stay off certain subjects. This book takes place in Italy in the 90's. We follow a girl named Leda. It follows her crush on her old friend Nico, how their relationship rises and falls. Leda goes through a lot of changes in this book. This story was amazing! I couldn't put it down! I would recommend this book to people. Can't wait till the next book!

I like it when an author knows how to handle sticky situations in a real way, neither sparingly nor wordy. Amman is sticky situation ninja. Oh, and this book is addictive on several levels: Leda's life, Leda's friends' lives, and the beauty of Italy. Side note: In the series, this book included, you might find a couple of typos. Simply move on, and let it go. You might not notice because the story is just that good.

After the second book I couldn't stop reading and I immediately started this to discover what happened to Leda after... and now I have to wait one month for the next!! I like the way the author is able to describe Leda and her friends teenage feelings. A the fact that you can't stop reading is one of the most important characteristics which makes a book th a best you ever read. It was a beautiful journey in my teenage years I'm looking forward to discover what happens in the next book!

Gaia Amman keeps me coming back to hear about Leda and friends. In this third installment in the series, Leda continues to learn from her mistakes (as well as those of her friends) as we witness intimate details of her growth into a young woman. Unexpected twists will make you reluctant to put it down. Looking forward to reading the final book in the series, Sex-O-S.

LOVE these books!
