While sheltered in the clan's stronghold, Syssi is unaware that Kian and Amanda are not human, and neither are the supposedly religious fanatics that are after her. She feels a powerful connection to Kian, and as he introduces her to a world of pleasure she never dared imagine, his dominant sexuality is a revelation. Considering that she's completely out of her element, Syssi feels comfortable and safe letting go with him. That is, until she begins to suspect that all is not as it seems. Piecing the puzzle together, she draws a scary, yet wrong conclusion...Kian and Syssi's story culminates in Book 3 of the series: Dark Stranger Immortal, and the characters embark on a new adventure in book 4: Dark Enemy Taken.

I thought it couldn't get any better than "The Dream" but oh ya it can!! The author has hit it out of the ballpark with, "Revealed," Book 2 in the Dark Stranger series, the players are the same with a few new characters to amp up the storyline. All are impeccably created and presented to us, the readers, with mastery. We get swept into the pages and tossed around for a while and then released well satisfied with our experience. Kudos to the author, please keep on writing you have a tremendous flare for it!

Dark Stranger Revealed picks up where Dark Stranger The Dream left off, with Kian walking away from Syssi, and planning to keep his distance while she is hiding in the clan's secure high rise. But his resolve soon falters and he seduces her. Syssi is powerless to resist her attraction to Kian, even though she doesn't believe a man like Kian could want her for anything meaningful. While both Kian and Syssi try to convince themselves that their relationship is nothing more than a casual, short term affair that would last only until it's safe for Syssi to go home, the torment each of them feels at the prospect of parting says otherwise. The plot thickens when Dalhu, the leader of the enemy unit, learns from Amanda's stolen research papers about Syssi's and another test subject's strong paranormal abilities. Dalhu plans to snatch the two potential Dormants for himself and to discover the location of the clan's hideout. Meanwhile, Syssi starts to notice peculiarities about Kian and his

people, and piecing together a scary but mistaken picture. she decides to run. If Dark Stranger The Dream was hot, then Dark Stranger Revealed was scorching. And if the first one had me panting with anticipation for what will happen next, this one had left me breathless. Can't wait to find out!

I took a chance on a new author and discovered an amazing read. The characters are phenomenal and the story and the background are epic. It kept me on the edge of my seat from book 1 to book 3. (I'm on book 4 now and it's just getting better and better.)This is not a simple boy meets girl story with a few romps and a few twist and then it's the end. It's a saga that builds on and on and each book adds another layer. A lot of background is crammed into the first book but it's needed to set up such an epic story. Book 2 is all about the romance. I've just finished reading fifty shades and I loved it but some of the scenes were cringe worthy. In this story the dominance and submission is very gentle and loving, it's more in spirit than physical. I liked it much better. In short, I highly recommend it to lovers of sophisticated paranormal romance.

In the first book, Syssi is pulled into Kian's secret world of Immortals, and the attraction between them is a start of a budding romance. Book two focuses on Syssi and Kian's relationship. Kian still doubts that Syssi is a carrier of the Godly gene but as his feelings for her grow stronger he begins to dread the day he'll have to wipe her memories of him and his clan. Syssi finds Kian's dominance thrilling and discovers that she likes things a little spicy in the bedroom. But even though she is falling under his spell she starts to notice oddities about Kian and his large family and suspects they are involved in some kind of illegal business. Meanwhile, Michael who is the second potential Dormant on Amanda's list, is rescued from the Doomers and brought to the high rise. The scenes about Michael's interactions with Kian and with the female Guardian Kri made me laugh out loud. The character development continues in book two, and after a while the names in chapter headings become superfluous because each has such a unique voice that it is clear within a sentence or two who the speaker is. The world building continues at a slower pace than in book one, with more subtle layers and depth added to the story for a totally immersive experience.

Dark Stranger: The Dream-Revealed-Immortal Books 1-3 in The Children of the Gods Series I.T. Lucas Books 1 through 3 of Lucas's Children of the Gods series Lucas's Children of the Gods series is unique, eye opening and addicting. Her premise of descendants of Gods battling it out through the centuries and almost wiping out each other and the human race is excitingly fresh in a genre gone stale. The race may be ancient but

they surround themselves with all the current luxuries and technologies. With a plucky dialogue, action packed scenes and unforgettable characters they're hard to put down and almost impossible to stop at just one. Books one through three is Kian and Syssi's story and must be read in order. In these first books of the series you will meet most of the characters, learn their history and will become intimate with a few key players. Lovers of all things urban fantasy, myth lovers and fans of kick-butt hero and heroines this is for you. **AUDIBLE:** The audible edition narrated by Charles Lawrence gives the listener a deeper perspective of the story by magnifying all the emotions and actions of the characters. His seductive baritone does a great job with all the voices and the intonations of the very different characters, females and males, human and immortals. **SUMMARY:** From the beginning of time there have been near immortal beings who have molded humanity, been the object of worship but who as a race almost destroyed each other and human civilization. Now only two Gods are left both sworn enemies: The followers of Morta, the Doomers and the descendants of the Goddess Annani. Kian, the son of Annani is the leader of his clan all descendant of the Goddess they live a lonely existence denied true love because the only other of their kind are their greatest enemy. When Kian's sister, Amanda discovers that humans who have certain psychic traits could be in fact dormants of their kind he's skeptical until he meets her assistant and most likely candidate, Syssi and falls head over heels in lust with her. Syssi knows she landed the perfect job as Dr. Amanda Dokani's lab assistant that is until there is a break in at the lab and Amanda insists she stays with her until the danger passes. When Syssi meets Amanda's gorgeous, unsettling brother, her whole world turns upside down and she has no idea what's in store for her.
