Customer Reviews

This is great. Having it on a pad is so convenient because you don't have all these sheets lying around. Great quality, good size lines and spaces, good price. So much better than printing off of freesheetmusic or some random website.

Perfectly fine. Not a book of removable pages. Just loose pages as described in the title. Do not let the word "Pad" fool you. Get a binder.

Great staff paper! Using it for a music theory class and it is awesome. Came with a bonus circle of fifths chart that was a nice surprise.

I like this because you tear it from the top and it has a three hold punch to put into binders. It's gotten me through lots of composition assignments at my first couple years of conservatory!

Good basic staff paper, tears cleanly, good line spacing. Will definitely order again.

Need paper to keep my notes. Paper also fits in my notebook.

Great! 3 hole punched loose leaf staff paper with a circle of fifths on the inside of the cover, just in case you need it.
