JOHN MACARTHUR is the pastor-teacher of Grace Community Church in Sun Valley, California; president of The Master's College and Seminary; and featured teacher for the Grace to You media ministry. Weekly telecasts and daily radio broadcasts of "Grace to You" are seen and heard by millions worldwide. John has also written several bestselling books, including The MacArthur Study Bible, The Gospel According to Jesus, The New Testament Commentary series, Twelve Ordinary Men, and The Truth War. He and his wife, Patricia, have four married children and fifteen grandchildren.

Wonderful work of Godly truths straight from the Bible. It is our first reading of the day before we go onto the Bible. What a wonderful way to start your day with this easy, quick Word of God message which takes mere minutes to read but changes your life for eternity. As He teaches about Repentance, forgiveness, how we are truly saved and that is in contrast to what so many falsely teach today I am sorry to say, as well as life changing messages that will touch everyone. God will indeed bless you as you are faithful to Him and to His Word (the Bible) so make sure to add this one to your daily reading as a family.

WONDERFUL teachings in short easy to read and understand messages. Dead on accurate regarding the truth of God's Word, the Bible. Fantastic for ALL true Christians to gain a better grip on the true nature of God, the Bible, Christianity, how we are to live as true Christians, (NOT like those fake TV preachers and cult leaders). I seriously recommend this to everyone. Grow in Grace and use this to start your Bible study and your day every day and see how much different you will be in a year.

A++++++

With MacArthur anything he writes will be biblical, true and not watered down to suit wolves in sheep's clothing. Thank you MacArthur for standing in the gap....

Very pertinent, clear presentations of the character and purpose of Christ in relation to both the individual and society with practical implications/requirements for either/both. Cross references embodied in each devotional to related statements from both the Old and New Testaments are helpful particularly to those of us who have had difficulty in seeing them as a whole. An excellent way to begin a time of study or any day.

I will review all three volumes as one. If you are looking for a daily devotional to help you keep your eyes on Jesus, this is the one for you. Pastor MacArthur, a proliferate author, uses his skills and knowledge to help us walk every day with Jesus. The fact that there are 3 volumes amplifies that walk by keeping the reading from becoming stale. You can read a single entry every day, or you can buy all three and read vol 1 in the morning, vol 2 in the afternoon and vol 3 at bedtime!

Of course, anything from John MacArthur is good and this is no different. Love it. It starts my day in a very positive note.
