Fun, age appropriate information with colorful illustrations & a chance to include my child in the reading. My 15 year old read this book to my 3 year old & found herself inspired to do some historical research! THAT makes a great book!

This is awesome! Sing-songy and interesting. My 1 year old loves it, and so do I!

Our favorite book, ever! We want to teach our son in a fun way and these do just that. The rhyming in the book keeps him interested and the facts are so fun. This is truly adorable. We also purchased This Little President. We wish there were many more.

Super cute book and doesn't marginalize women's roles in history or discovery. I'd buy again.

Great inspiring little book for toddlers!

The illustrations are great. There are three sentences on every spread, so there is actually something to read. My child and I read the book all the time.

My daughter loved The Little Presidents, so I pre-ordered this book, and I was not disappointed. Beautiful illustrations. My daughter loves this book too.

These aren't babylit books like I thought they would be, but they are still perfect!
