AFOQT Study Guide 2015-2016: AFOQT Test Prep Book And AFOQT Practice Tests

Synopsis

AFOQT Study Guide 2015-2016: AFOQT Test Prep Book and AFOQT Practice Tests Developed for test takers trying to achieve a passing score on the AFOQT exam, this comprehensive study guide includes: **Quick Overview** **Test-Taking Strategies** **Introduction to the AFOQT** **Verbal Analogies** **Arithmetic Reasoning** **Word Knowledge** **Math Knowledge** **Self-Description Inventory** **Physical Science** **Table Reading** **Block Counting** **Instrument Comprehension** **Aviation Information** **Hidden Figures** **Rotated Blocks** **Practice Questions** **Detailed Answer Explanations** Each section of the test has a comprehensive review that goes into detail to cover all of the content likely to appear on the AFOQT exam. The practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them. Understanding the latest test-taking strategies is essential to preparing you for what you will expect on the exam. A test taker has to not only understand the material that is being covered on the test, but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors. Anyone planning to take the AFOQT exam should take advantage of the review material, practice test questions, and test-taking strategies contained in this study guide.

Customer Reviews

A good baseline to study with but definitely don't rely on just this.. there aren't all of the subsections, the subsections that are there are much easier than the actual test.. definitely not great at prepping you for the real thing but a good start

Quantitative Section in this book is nothing compared to the actual afoqt. I would suggest studying more advanced math.

My goal is to pass AFOQT, this will be helpful.

I think the study guide has definitely helped me prepare for the exam. I know how quickly go through the exam and have a better strategy on how to take it. Before the study guide, I wouldn't have done so great. I am very confident after reviewing it

Gift.

A must have by far... This guide takes the worry out of test taking. The guide has plenty of helpful tips and tricks that will give you the ease of mind needed to score high on your exam.

Very good book. It could use one more practice test but the study tips are very helpful.

This book has been very helpful and has help me to feel adequately prepared.
