Purchase one of these every year. Love Maxine. However, as soon as this one was removed from the box, the calendar pages clear back to October fell off. By balancing carefully, got them set up on the little stand. But seemed like very poor quality from previous ones. Now have to be careful tearing off pages -- didn't have to be that careful before.

I love her calendars however this one came in 2 pieces. I had to tape it together and the stand doesn't lock in place.

I've loved Maxine for years. However I have found this calendar not to be very funny. Quite a few of

her comments are rather risqué which I don't mind, but my 8 year old granddaughter has been looking through it and I'll have to hide it.

My goodness everyone who comes in my shop stops first at Maxine's Calendar for her daily rant. Everyone loves Maxine! We love it

My Dad has had a Maxine calendar on his kitchen table for years. My local Hallmark no longer stocks them. Since it is a tradition that my Mother began, she has now passed, Dad is comforted every year that I get him a new one. Thanks for helping to continue a treasured memory.

Bought this as a gift for my mom in assisted living. All of the guests living at the residence love to pass them around every day. Can't wait for 2018!

Have received several as gifts so bought this one for a gift for someone

This was a gift for a friend and she loves it. I was very happy that the pages were in color.
