Customer Reviews

Great step by step instructions from carving to painting. Lots of pictures showing all the steps. If you want to learn to carve shorebirds this is the book. You may also may want buy the 2 DVD set where the author carves and paints a bird.

I have met the artist before the book is a wonderful trip threw shading if you understand that. His work is inspiring to say the least.

Del is one of the greatest shore bird carvers in America and he has written great how to's in this book. A must have even if you don't carve shorebirds!
