All I Know Now: Wonderings And Advice On Making Friends, Making Mistakes, Falling In (and Out Of) Love, And Other Adventures In Growing Up Hopefully

Synopsis

“This is a best friend in book form.” —Andrew Kaufman, author of *All My Friends Are Superheroes* Today, Carrie Hope Fletcher is living her dream as an actress and YouTube star. But not long ago, she was trying to survive the many perils of the Teen Age . . . *The Rumor Mill*: The more a rumor is spread, the farther it gets from the truth. It’s like a giant taffy pull. *The Disgusting Business of Falling in Love*: I’ve never known something to be so gleefully wonderful and soul-crushingly exhausting. *The Twitter-Sphere*: If the Internet is starting to crush your soul . . . close the laptop! *Bears*: Self-explanatory. Thankfully, she made it through! And although memories of her struggles, woes, and foibles stick around (as *Soul Shrapnel*, if you will), they look a little different today, thanks to *The Amazing Goggles of Hindsight*. So, in *All I Know Now*, Carrie shares, well, exactly that—heartfelt advice and hopeful thoughts on growing up. She just did it herself. She has the stuffed animals to prove it!

Book Information

Paperback: 352 pages

Publisher: The Experiment (September 8, 2015)

Language: English

Customer Reviews

“Though the book is targeted to teens, Fletcher’s advice on making friends can apply to grownup women as well.” —*Washington Post* “Openly addresses the ebbs and flows of adolescence, pursuing goals, and sometimes letting go of them.” —*Publishers Weekly* “Thus far, the reaction to the book, a guide to navigating the teen years, written by 22-year-old video blogger and musical-theatre star Carrie Hope Fletcher, has been evenly split. First comes the astonished gasp of gratitude and relief from a teenager discovering that, OMG, she’s not alone and entirely misunderstood after all! This is invariably followed by a sob of retrospective regret from

her mother that there wasn't a similar book in her day to offer such comfort and encouragement.

• "Daily Mail (UK) "Full of warmth, wit and wisdom, [Carrie is] the big sister everyone needs in their life."

• "Top of the Pops magazine "[She's] young, fab, and incredibly talented. I think I manage to keep my massive jealousy of Carrie Hope Fletcher just [barely] under control :-)." • "Jenny Colgan, author of *West End Girls* and *The Little Beach Street Bakery* "Where was this book when I was growing up? Even with describing her mistakes and stumbles, Carrie's prose remains graceful and perfect. This is a best friend in book form."

• "Andrew Kaufman, author of *All My Friends Are Superheroes* "Oh, what a fantastic book" so honest, so brilliant, so kind. If every mom or dad buys this for their teenager they'll be doing themselves a real favor" everyone will benefit, I promise!

• "Jill Mansell, author of *Don't Want to Miss a Thing* "Oh @CarrieHFletcher I am loving your book. You are wise beyond your years and you're a beautiful writer."

• "Harriet Evans, author of *A Place for Us* "All I Know Now . . . It's super mega awesome."

• "Emma Blackery, [youtube.com/emmablackery](https://www.youtube.com/emmablackery) "All I Know Now is exactly what my teenage self needed, and a reminder for my 26-year-old self that we're not alone in our quirks, breaks, wonder, and woes . . . it's absolutely magic."

• "Jodi Ann Bickley, author of *One Million Lovely Letters* "Carrie has written the ultimate life survival guide for teens and beyond!"

• "Ali McNamara, author of *From Notting Hill with Love* . . . Actually "An honest and funny guide to growing, dreaming, and being."

• "Samantha Shannon, author of *The Bone Season*

Carrie Hope Fletcher is an actress, singer, vlogger and, thanks to her popular YouTube channel *ItsWayPastMyBedTime*, "an honorary big sister" to hundreds of thousands of young people around the world. The videos she creates "on topics as diverse as exam stress, handling school bullies, and how to pee in a onesie" have been viewed more than fifty million times. Carrie has played the role of Eponine in *Les Misérables* at the Queen's Theatre in London's West End since June 2013 and received the 2014 WhatsOnStage Award for Best Takeover in a Role. She lives just outside of London.

Definitely would recommend to younger girls and teens! But as a sophomore in college, I found that the material was a little beneath me. I kind of knew when I ordered the book, but being a longtime Carrie fan I just had to see what she came up with. Not to say that it doesn't contain many nuggets of wisdom. But I'm at the age where I've already come to accept many of the principles Carrie describes so it didn't feel as poignant. Although I did find myself nodding in agreement and totally

laughing out loud at certain points, so I'm pleased. Also, I love the design of this book. Super cute :)

This is a book that everyone should read : teens, young adults, everyone. Carrie makes life seem elegant and beautiful with her bright and optimistic outlook.

Great find... Perfect!

It was a birthday gift for my niece. She wanted the European edition. I couldn't believe it but I found it on and it was ship from London and arrived just in time for her birthday. She very happy and surprise I actually found the book. So that makes me a great uncle forever.

Carrie is such a sweetheart. She gave such great advice and her writing makes it feel like she's actually talking to you. Highly recommended for young and old.

I could have used this as a teen but in my late twenties I found myself skimming quite a bit. I love her YouTube channel but this isn't the book for me.

Amazing! It came in earlier than expected and the book itself is so relatable, anyone I think would fall in love with it the way I did.

Carrie Hope Fletcher!!!!!! This book is great and she is such a talented writer!!
