GuantÁinamo Diary

Synopsis

The acclaimed national bestseller, welcomed on the cover of the New York Times Book Review--the first and only diary written by a still-imprisoned Guantánamo detainee. Mohamedou Slahi has been imprisoned at the detainee camp at Guantánamo Bay, Cuba since 2002. In all these years, the United States has never charged him with a crime. Although he was ordered released by a federal judge, the U.S. government fought that decision, and there is no sign that the United States plans to let him go. Three years into his captivity Slahi began a diary, recounting his life before he disappeared into U.S. custody and daily life as a detainee. His diary is not merely a vivid record of a miscarriage of justice, but a deeply personal memoir---terrifying, darkly humorous, and surprisingly gracious. Guantánamo Diary is a document of immense emotional power and historical importance.

Customer Reviews

A New York Times Notable Book of 2015 "A longtime captive has written the most profound and disturbing account yet of what it's like to be collateral damage in the war against terror." •Mark Danner, NYTBR, & Editors' Choice "Slahi is a fluent, engaging and at times eloquent writer, even in his fourth language, English.... Slahi's book offers a first-person account of the experience of torture. For that reason alone, the book is necessary reading for those seeking to understand the dangers that Guantánamo's continued existence poses to Americans in the world." •Deborah Pearlstein, Washington Post
