The Tender Years (Prairie Legacy Series #1)

Synopsis

Twenty years have passed since youngest daughter Belinda's story in *Love Finds a Home*. Marty and Clark's spiritual heritage has been lovingly passed on to their children, grandchildren, and great-grandchildren. And now beloved granddaughter Virginia faces the greatest test of her young life. Caught in that difficult period between childhood and adulthood, feeling that she really doesn't fit anywhere, Virginia struggles against what she considers to be unreasonable restrictions and expectations. Her parents are too strict, her sister is too bossy, and God seems too far away. Then a new girl arrives at school, a big-city girl ready to stir things up in the small prairie town. Jenny seems to represent everything that Virginia is longing for--her looks, her daring, and her alluring freedom from constraints. Breaking the rules and instigating gossip become special thrills for the girls. But then comes the day neither girl will ever forget. This is a final series featuring the beloved characters from *Love Comes Softly*.

Looking for a good, clean, prairie, romantic read? This is your book! I love, love, love Janette Oke's books and own quite a few. I read these my freshman year of high school and still love to pick them up and read them at the age of twenty! I am currently reading the "When Call's The Heart" series by

her. I definitely recommend it :)

I enjoyed following the life of Virginia and Jenny her friend. I loved the relationship between Belinda and her family.

good book but not as good as some for her other books
